Keynotes • Seminars • Consultations

Nothing is more important to us than helping to make your event a resounding success. In order to make sure nothing "falls through the cracks" at showtime, we've created the following pre-program checklist that will assist us greatly in presenting the best program possible for your group.

To help ensure that Pamela's program meets your expectations and fulfills the ultimate benefit of your audience, please review the requests below and let us know if there are any challenges. Pamela is flexible and will work with you to maximize the effectiveness of your event.

Room Setup:

Set the room up theater or classroom style with two side aisles and no center aisle, and chevron seating. Position the first row about six feet from the stage. For events with public interaction use round tables with chairs in crescent seating position (see page 3-4 for room setup charts).

Platform/Riser:

Pamela is more visible on a raised platform (16 to 24 inches is fine). Being elevated makes it much easier for everyone to see and enjoy her presentation. Pamela would like a high-back bar stool on stage if possible. Please have steps placed in the front, if possible. Pamela does not speak from a lectern. If it is necessary for a lectern to be on the stage for other parts of the program, please have it set to the side of the stage during Pamela's presentation.

Microphone:

Pamela brings her own Countryman Wireless Microphone. She will need a Shure belt pack to insert it into. Two free-standing microphones should be placed for audience participation.

Audio/Visual Aids

Depending on the presentation and program topic, Pamela may require a LCD projector and screen.

Head Table

If the head table is on the stage, please have it set far enough back so Pamela can work in front of the table. (Pamela is full of energy, and needs room to move around and interact with the audience!) Please reserve seats in the audience for the people at the head table so they can enjoy the presentation as well.

Recording of Presentation:

The material to be presented is protected by copyright. Audio and/or video recording is permitted and encouraged. A separate recording agreement must be signed prior to the event. If recorded, Pamela requests that you provide her a copy of her segment.

Introduction

[Download Pamela's introduction.](#) Please use this to introduce Pamela to your group.

Hotel and Travel Arrangements

Hotel room reservations (non-smoking king bed, concierge level), preferably at the same hotel where the meeting is to be held, are to be secured by you, the client, guaranteed for late arrival, and should be billed directly to your organization. Pamela will book her own travel arrangements, non-refundable, (non-stop, when possible) coach fare, round-trip.

Ground Transportation

Please arrange ground transportation (to and from the airport) and let our office know who will be meeting Pamela, or let us know if you need her to take a cab or secure a rental car.

Payment of Fee

Per the agreement, 50% of the speaking fee is due to finalize any speaking engagement and the remaining balance of the fee is due on-site, immediately following Pamela's presentation (unless other terms are negotiated). An invoice, including travel expenses and any per diem, will be mailed prior to the engagement.

Pre-Program Questionnaire/Information

Please send us any information such as industry magazines, company history, recent newsletters, or product brochures that will increase Pamela's understanding of your business or organization, its products or services, people, and challenges.

Complete the Pre-Program Questionnaire and return to us via fax, email or snail mail. Also, if available, please send us a copy of the program that will be used for this event.

Once you've taken care of each of these items, you can be assured that everything will run smoothly — now YOU can relax and let Pamela do the rest!

Circle Table Setup Diagram

The following are typical Room Set Up diagrams. I realize your specific needs, event size and requirements may be different so please adjust accordingly.
For Classroom with ROUND Tables.

- 6 to 8 chairs max depending on table size in horse shoe setup.
- Doors must be at back of room or back side of room so people entering room do not interrupt the presentation.
- Must leave enough room at the front for the Projector, Screen, Riser and viewing angles.

Rectangle Table Setup Diagram

For Classroom Setup with 6' or 8' rectangle tables

- Must leave enough room at the front for the Projector, Screen, Riser and viewing angles
- Doors must be at back of room or back side of room so people entering room do not interrupt the presentation.
- Chairs must set with enough space for adults – NOT touching tightly.
